

#### **Context**

~ 2.7% of the EEZ is currently protected

**Costa Rica Joined the High Ambition Coalition in 2019** 

**Expansion to 30% protection of the EEZ** 

Not only expansion

**Effective management is essential!** 

## **Approach**

#### Step1

Current expenditures in 2,7% of EEZ

### Step 2

Financial needs for effective management of 2,7% EEZ

### Step 3

Financial needs for expansion to 30%

#### A collective effort

## Who and what?

|          |                               | Government Entities |     |           |      |     |
|----------|-------------------------------|---------------------|-----|-----------|------|-----|
|          |                               | SINAC               | SNG | INCOPESCA | МОРТ | ICT |
